Part 1, Basics Summary

According to exercise task provided, I did 100% of it.

28.2 score in Kattis End of first part

1 times presented Kattis Pb in front of the class

(Fundamental Neighbors on Weekly Exercises 02.11)

Part 2, Application Summary_ ZickeZackeHühnerkacke

I did almost the UI(Graphics) of the game by using Adobe PhotoShop and Illustrator. I also cooperate with my team to implement game logic, which is the overtaken part and its graphics. I also spent lots of time test game and debug it so that the game can run smoothly.

I did 33.4% of ZickeZacke of Griefingdoor.

Our group had 2 feedback talks, on 23/2 and 30/2(Presentation).
